Because I love RYLA and talk about it all the time. I try to tell parents about it who have Jr High and Sr High age children in hopes that they will apply. I work with many nonprofits and always tell them about RYLA so I'm acting as an Ambassador now. I appreciate so much what happens at camp and how we positively impact a young persons life. It is such a joy to be part of that magical week. I will always support YRYLA AND RYLA in any way that is needed. I really think the association with the folks who are involved with RYLA are the most meaningful relationships that I've made in Rotary.

I also bring about twenty years of Board experience to you. I've served on three Boards that I can remember. I understand what needs to take place at that level and the committees and reporting out. I have been a Board Chair three times also as well as committee chairs. I would be glad to help in any way I could to further the RYLA experience for our students.
