Notes:

Rotary Experience: (Briefly summarize your Rotary service) I am the representative for the Sterling Club for the RYLA and YRYLA. I have worked with this program for several years; however, in a supportive position. I was fortunate to be very active this last year. I visited both young groups for the last two days of their leadership training. I have found this experience to be very rewarding and uplifting.

I have been on the board in Sterling for 3 years and so serve currently. I have been a member of Rotary for about 15 years. Some of that time was in a club in Amarillo, TX.

I was able to extend my personal vision to our world wide endeavors a couple of years ago. I went to Central America with a Rotary group to visit the Children of the Dump. You can read about these excursions for days, but just 1 day right with the situation is mind altering.

Other Volunteer/Service Activities in the Past 5 Years I work half time at Northeastern Junior College in delivering a college program at the state prison here in Sterling. I serve as an informational contact for

higher education for many of the inmates even if they aren't in our program. I work quite actively with the Elks as a member and with my PEO sororoty. I have extended some interests to the University of Wyoming and have assisted some fund raisers for the Ivinsin Museum and Foundation.

Tell us why you'd like to be a RYLA Board member!

Be sure to ACT ON the info at the bottom of the summary page when you click Next.

I have visited both the youth groups for a couple of days and have developed a real believer in this program. We give scholarships here at NJC; however, these \$1,000 assistance programs helps a student at the time and date---these leadership programs exemplifies giving the kid a fishing pole and teaching him how to use it.
