### Notes:

**Rotary Experience: (Briefly summarize your Rotary service)** I have been a member of Rotary International for 17 years. Currently I am the Charter President of the Rotary Club of Longs Peak in Estes Park. I have always had a strong interest in RYLA, especially with RYLA being held in my backyard here in Estes Park. I have served on numerous positions throughout my Rotary years. I was President of the Noon Rotary Club in 2006. I have had the honor of being named Rotarain of the Year by the Noon Club in 2003, and then again in 2006 by District 5440. I currently serve on the Executive Board for the District, and I am the District Trainer. In 2007-2010 I served as an AG for the Loveland Clubs.

The reason I would like to serve on the board of Directors for RLYA is because I have a strong desire to be more active with the Youth. This last year I worked with PDG Dave Scriven on a new leadership training for the Rotaract and Interact leaders of our District, and I must say it was one of the high points in my Rotary experiences. I helped charter the Intereact club here in Estes Park as back in 2005.

In order to be a future leader of District 5440 I want to learn and experience the outstanding areas we have to offer with our Rotary District and other Districts. I think I would be able to offer some assistance with RYLA with being a resident of Estes Park.

It would be a honor to serve on the RYLA Board of Directors.

Thank you  
Julie Phares

I believe in the youth, because they ARE the future. I get so much engery when I am involved with the youth programs. What I love most about being with the youth is they teach me so much about myself. I have the highest respect for our youth, and we need to find every opportunity we can to be there to support them in their ideas and goals.
