Bill Rubin

New Rotarians

Ted Kluet (South Jeffco)
Casey Brunson (Fort Collins After Work)
John Kenyon (Boulder Valley)
John Miller (joining the e-club)

Alternate

Mike Smith (Gillette)

- Mikaila Way has agreed to be our experiential activities facilitator. She will work with Jim Hoops to change the Ebola activity for the better, and help train our staff as they facilitate some of the activities in our matrix.
- Wayne Markel has agreed to be our photographer. Tom Kenyon may help at some time during the week and our staff will rotate through the week in assisting him.
- Doug Young has scheduling conflicts during camp and we will facilitate the 4 Way test by ourselves with the SC's and JC's leading the activity. Doug has sent some good handouts regarding facilitation, which we will use during training to make sure this activity is better than it has been in the past. Miguel and Stan have created new applicable scenarios for this age group.

- We have finalized our camp schedule. It is attached for review.
- We have decided to leave the following activities unchanged. Some of these activities received criticism during last year's debrief and these aspects will be addressed during training with emphasis on how to run the activity properly and debrief better:

Circle of Support	Zip Line
Towers, Newspaper	Afternoon Hike
Shelters	Sunrise Hike
Swept Away	Dance
Skit Prep	Comedy Club
All Aboard	Take a Look Around
Challenge Course	River Crossing (less time)
Kick Ball	Circle of Friends (longer time)
Trust Walk	Team Building Activities
Walk of Possibilities	

- We have modified the following activities after discussion about the debrief comments:

Brainwise	Star Prep
My Life List	4 Way Test
Choices	Rotary Youth Programs
Core Values	True Colors

Handouts for these either have been updated or are in the process of being updated and will be forwarded to the board when all modifications are complete.

- We are currently finalizing changes to the following activities:

True Colors
 Passion to Action I and II
