

RYLA Meeting - February 27, 1988

The meeting was called to order. Those present were: Warren Holm, Jim Poppe, Stan Haas, Kevin Ferrell, Clark Lupton, Murph Widdowfield, Marc Lemieux and Sue Mendenhall.

The minutes were approved as mailed.

Warren reported the finances of the committee are in good shape with \$4,898.34 as of 2-27-88. We need 80-85 students to break even this year.

Scholarships were discussed at length. Eight were awarded last year. The committee agreed to offer the following clubs full or part scholarships: Yuma-1, Akron-1/2, Sedgwick County-1, Wray-1, Kemmerer-1, Riverton-1/2, Morrill-1/2 and Torrington-1/2.

Seven students still have not paid for their camp picture.

Murph reported that we have 45 reservation forms in, 16 from District 544 with 20 maybe's and 29 from District 545 with 45 maybe's. Our goal is 130 students.

Jim Poppe went over the list of speakers and asked people to start making contacts and get commitments from the speakers.

Stan brought us up to date on how the promotion was going in District 544. Personal phone calls generated the best results.

Murph passed out a tentative daily camp schedule and asked for our input at our next meeting. The evening in Estes Park was evaluated from a cost standpoint. The park fees were \$244 and the bus rental ran \$204.00.

The sports and extra-curricular activities were discussed at length. The idea of two separate competitions, sports and the computer business, was decided upon. The group size was brought up with 9-12 students being the ideal group size.

The next meeting will be at Cheyenne, Wyoming at Little America in conjunction with PETS. The committee is invited to stay for lunch and promote RYLA with the incoming club president's.

The April meeting will be April 16th at the YMCA camp in Estes park where we can look at the lodging arrangements and find a place to set up the computers.

There being no further business the meeting was adjourned at 12:10 p.m.

Respectfully submitted,

SAM
